

## **PR PLÁSTICOS** is an organization that wants to always do well!

For this to be a reality and because excellence is our goal, the organization has defined a path to Quality guided by the following principles:

*Full Satisfaction of stakeholder needs and expectations*

*Continuously improve the Quality Management System*

*Compliance with applicable requirements*

*Involvement of your employees and partners*

The Administration undertakes to make available all the necessary resources for the implementation and constant improvement of this Policy.
